

### **REMARKS**

The title has been objected to because it is not descriptive. The title has been amended in accordance with the Examiner's suggestion, thereby obviating this objection. Additionally, claim 10 has been objected to due to minor informalities. Claim 10 has been amended to overcome this objection. The Examiner has deemed claims 1-47 allowable over the prior art of record.

In view of the foregoing, it is believed that the amended claims and those claims dependent therefrom are in proper form. Claims 1-47 are considered patently distinguishable over the prior art of record.

The application is now considered to be in condition for allowance and an early indication of the same is earnestly solicited.

Respectfully submitted,
